Feedback

What a wonderful Summer BBQ we had at Browns. Great surroundings, food, entertainment, cornhole, including golf, and very well attended by the residents.

The monthly Thursday Afternoon Drop-in Socials at Browns have been well attended too. Its always lovely to see everyone mingling with lots of laughter and chatting in the background.

Please look at our photos on the YRA Facebook Group. (See link above).

New Members

A big welcome to our new members Gary & Veronica Silverwood. Please encourage other residents to join.

Condolences

Chris Smith, a long time resident from Culver Way, sadly passed away late June. Our condolences to his family.

The Herbert Protocol “Safe & Found” Scheme

The Herbert Protocol is a national scheme introduced by the police in partnership with other agencies which encourages carers and loved ones to compile useful information which could be used in the event of a vulnerable person going missing.

Carers, family members and friends can complete in advance, a form recording all vital details, such as medication required, mobile numbers, places previously located, a photograph etc. In the event of your family member or friend going missing, the form can be easily handed to the police to reduce the time taken in gathering this information.

The Herbert Protocol initiative is named after George Herbert, a war veteran of the Normandy landings, who lived with dementia. George Herbert died whilst 'missing', trying to find his childhood home.

More info can be found here. <https://www.wightsar.org/herbert>

Leaflets are also available at the Sandown Library. And we hope to have some at our YRA AGM for those that do not have access to the internet.
